Course Selection Program Endorsement

We have consulted and endorse these course selections. We understand that programs and courses are considered final and will not be changed in September unless there is a career direction change, failed courses(s), or to satisfy class sizes and time-tabling issues.

Study Blocks: P.S.O. has a no study period policy except for Grade 12s with a heavy academic load. Students wishing to apply for a study period should see a counsellor for the proper paperwork. In all cases, the administration retains the right to refuse any study period. Applicants need to have a plan for 88 credits.
